Liturgy of the Week—Liturgia de la Semana 2/2/2020

Today's feast is both magnificent and mysterious: magnificent because the very first contemporaries of Jesus begin to recognize him as Christ, the anointed Savior of the world; mysterious, because this King is still a child, an obscure boy obedient to his earthly parents. The prophet Malachi—living and dying before the coming of Christ—points toward the arrival of the Messiah and encourages God's people to prepare themselves by living generous, holy lives. The Letter to the Hebrews—written after Jesus' ministry, death, and resurrection—renews the prophetic call to holiness, reminding us that the Lord will always help us: "Because he himself was tested through what he suffered, he is able to help those who are being tested." The Gospel reading overflows with examples of joyful men and women living God's call to holiness. Mary, Joseph, Simeon, and Anna show us, in their own ways, how to love Christ.

The Outdoor Classroom

Our middle school students enjoyed a day of outdoor learning and exploration at the Marjory Stoneman Douglas Biscayne Nature Center. The students explored the sea grass beds off the coast of Biscayne Bay to discover the multitude of marine life that reside there. There is literally a nursery of marine species that not only make this their habitat but thrive abundantly there. Dragging nets and floating buckets were used to temporarily catch and study the marine life. Afterwards, nature guides lead the groups of students in analyzing each species through collection viewer containers. Mollusks, sea snails, small fish species, crabs, clams, and a multitude of sponges were collected, studied, and then safely released back into the ocean environment.

Mrs. Garcia, middle school science teacher, planned this wonderful day for our students, and it was an amazing learning experience for all! We all walked away from our outdoor classroom with a little more knowledge of Florida's marine life, a greater appreciation for our state's natural resources, and a deeper love for nature and God's creations.
